

EUAM

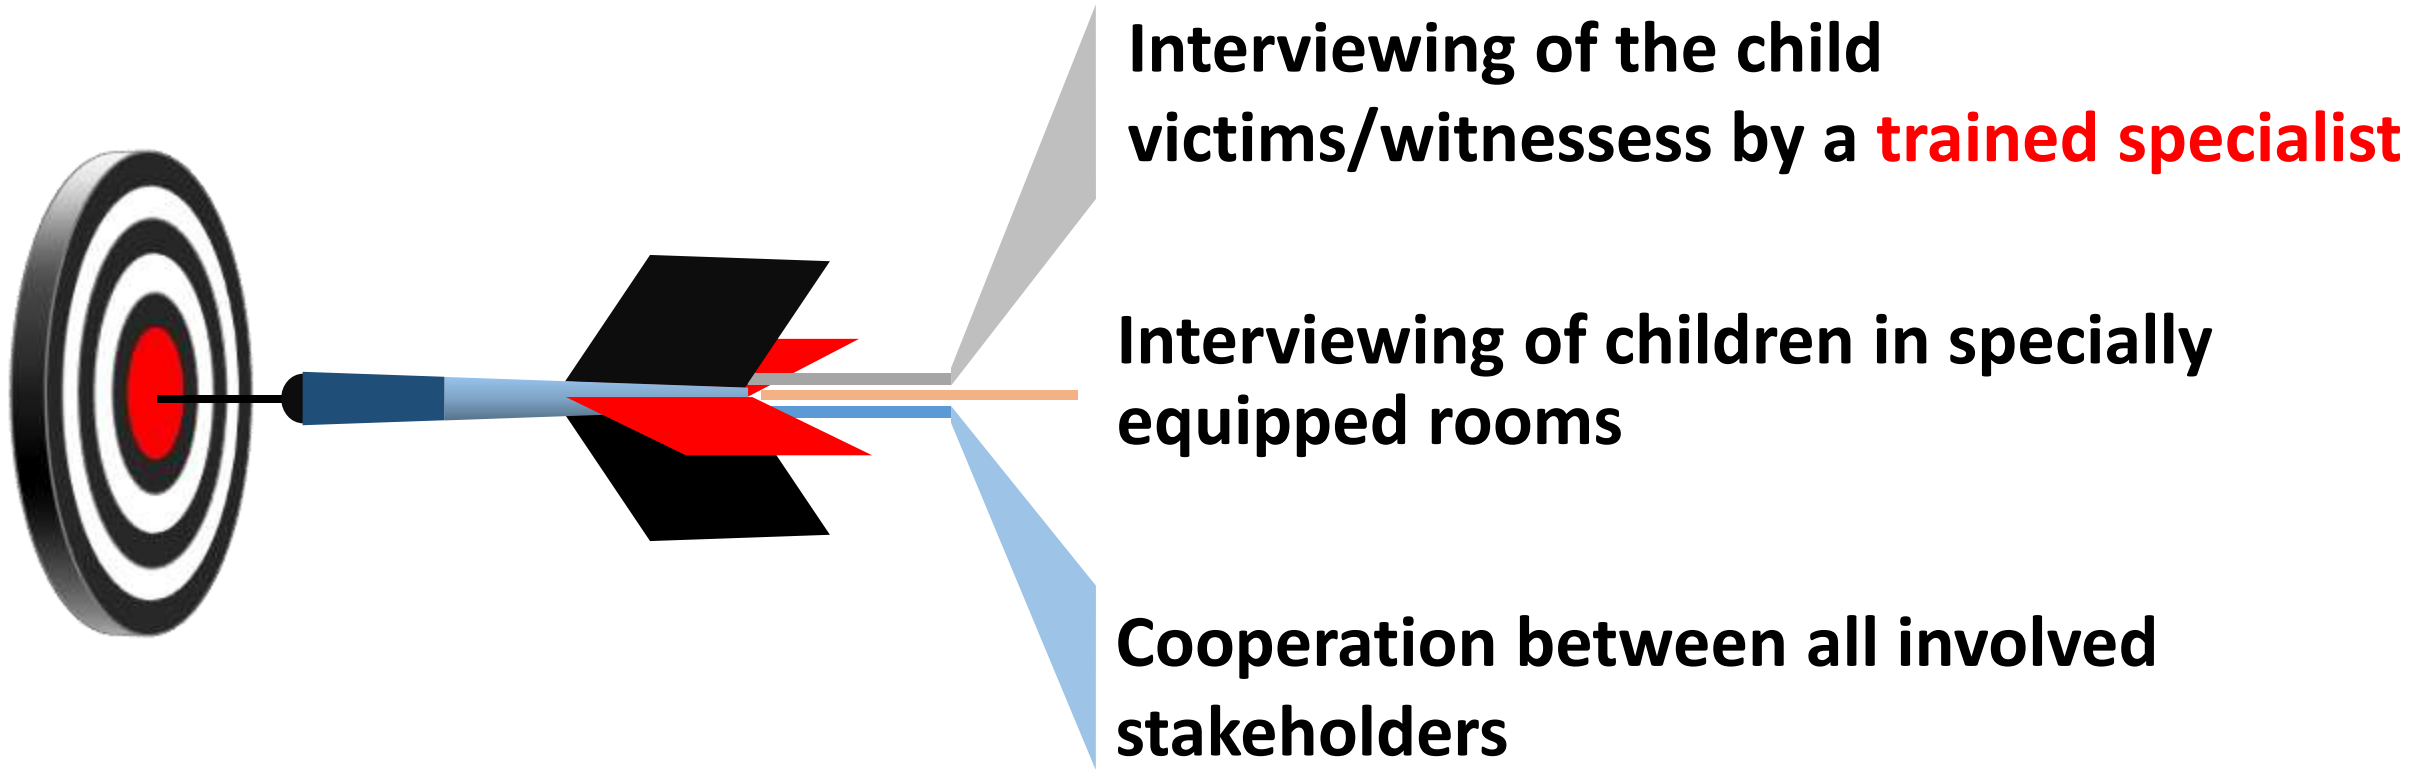

'Advising for trust'

Interviewing of children

Tomas Tesarek, Criminal Investigation Adviser/Trainer

Identified Challenges

Interview conduct – need for a specialist

Non-specialist = RISK OF.....

Absence of general understanding and knowledge of the essential principles

loss of the evidence value

Need for the „Green Rooms“

- **Accessibility of the premisses**

34 child-friendly rooms functioning in Ukraine,

25 established in the territorial police units,
4 within the police universities,
3 within social services premises and
2 within NGOs premises.

Only 25 rooms from the abovementioned number meet the criteria of child-friendly room,
6 rooms are equipped with the video recording system
3 have only 1 equipped room.

15 regions without any „Green Room“

- **KNOW-HOW to use the „Green Rooms“ properly** → **TRAINING**

EUAM „Green Rooms“ project

- **Odesa region**, Bilgorod-Dnistrovskiyi police hub station
- **Lviv region**, Stryi police hub station
- **Kharkiv region**, Shevchenkiivskiyi police station

FUTURE

Sustainable training system of the specialists

MoIA Universities and in-service training of the NPU

Availability of the „Green Rooms“

Territorial coverage increased

Legal frame and clear methodology

Obligation of the specialists involvement
